

Tarboro Road Community Center Golden Years Club Meeting

The Tarboro Road Community Center staff are excited to open the center's doors to all of the community residents ages 50 and better. You are invited to come and join the center's new Golden Years Club.

Though the club is in the developmental stage, this is a great opportunity to get involved and bring your community together. This meeting will offer opportunities for you to share ideas for activities, speakers and club trips in which you are interested. The club is open to all so feel free to bring your friends!

Are you interested in helping organize or be an officer for the club (President, Vice President, Secretary, Treasure, etc.)? Don't worry if you don't have experience in these positions. As long as you have the desire and drive, the Adult Program staff offers ongoing assistance to the club and its officers.

Tarboro Road Golden Years Club Meeting:

Date: Monday, October 15th

Time: 11am to 12:30pm

Location: Tarboro Road Community Center, 121 N. Tarboro Street, 27607

Do you have questions or would like to talk to someone about the club?
